

Provide food for families in need this fall!

In a county as affluent as Fairfax, it may come as a surprise that **37% of residents are food insecure**—and children are among the most deeply affected. Rising food and housing costs, reductions in federal support, and limited access to assistance have all contributed to the significant increase in need we are seeing this year.

So far in 2025, we have served 4,500 people.
We plan to serve 2,000 more by the year's end.
Join us in accomplishing this goal.

HOW TO PARTICIPATE

1

GREATEST NEEDS
